

BLACK SWAN
HEALTH LTD

Practice Nurse Meeting

Black Swan Health is holding a practice nurse meeting for those interested in the management of diabetes and some of the treatment options available.

A representative from Roche will give a presentation on current features and benefits of Accu-Check blood glucose meters as well as the current options for and benefits of bolus calculation. A staff member from Black Swan Health will also give a short presentation on their programs for people with chronic conditions and referral pathways.

Learning objectives:

- Increase knowledge about the features of blood glucose meters and their benefits.
- Understand the options for and benefits of bolus calculation.
- Understand Black Swan Health's Chronic Condition Program and Referral Pathways.
